The following data protection declaration applies to the use of this website and the services offered on it. This data protection declaration informs you about the processing of personal data during your visit to this website.

The processing of your personal data takes place in compliance with the applicable data protection laws and requirements.

## **Collection of general data and information**

Each time our website is accessed, a range of general data and information is recorded, including data that is personally identifiable. This data and information is stored in the log files of the server. The browser types and versions used, the operating system used by the accessing system, the website from which an accessing system accesses our website (so-called referrer), the sub-websites which are accessed via an accessing system on our website, the date and the time of access to the website, an Internet protocol address (IP address), the Internet service provider of the accessing system and other similar data and information that serve to avert danger in the event of attacks on our IT infrastructure.

## **Personal data**

Personal data is all information that relates to specific or identifiable persons. Processing includes any handling of personal data, in particular storing, disclosing, procuring, collecting, deleting, storing, changing, destroying and using.

## **Type, purpose and scope of processing**

By using this website, you agree to the processing of your personal data in accordance with this data protection declaration.

Only personal data that is necessary to display the website content correctly, to optimize the website content, to ensure the long-term functionality of the IT infrastructure and the website technology and to provide the law enforcement authorities with the necessary information in the event of a cyber attack will be processed provide information.

Personal data will be processed for the time necessary for the purpose just mentioned. Personal data that no longer needs to be processed will be made anonymous or deleted.

## **Data Security and Liability**

Appropriate and suitable technical and organizational measures are taken to ensure data protection and data security. Despite such measures, data protection violations can occur when personal data is processed on the Internet. Therefore, we cannot guarantee absolute data security and reject any liability when using this website (including for linked websites).

## **Links from other websites**

This website may contain links to websites of other providers. We have no influence on these websites, their content, offers or availability or the data protection declarations and regulations applicable there.

## **Cookies and other service offerings**

So-called cookies can be used on this website. Cookies contain a so-called cookie ID, a unique identifier of the cookie that assigns websites and servers to a specific Internet browser. A specific internet browser can be recognized and identified via this unique cookie ID.

## **Communication options**

This website contains certain information that enables quick electronic contact and direct communication, which also includes a general e-mail address. If you contact me via the communication options offered on this website, your contact details and content will only be used to process and answer your request.

Please note: It cannot be guaranteed that your data will be transmitted confidentially. Therefore, no confidential data (personal or health concerns, etc.) should be transmitted when contacting us.

### **Your rights**

Based on the Data Protection Act, you have various rights, such as a right to information and the right to correction, deletion or blocking of the processed personal data. Please contact me to assert your rights. I remain at your disposal for any further information related to this.

### **Changes**

This data protection declaration can be adjusted at any time without prior notice. The current version published on this website applies.
